INDEX TO VOL. XLV

JANUARY TO JUNE, 1944

A

A.I.D. staff addressed by Sir Stafford Cripps, 223
Accident recorder for aircraft, 397
Adams, P/O. H. H., 513
Adler motor factory in Denmark destroyed, 158
Admiralty Islands occupied by U.S., 246
Aegean activity of R.A.F., 5
Aerial torpedoes (Outlook), 654
Aero Engines, Ltd., Announcement by chairman regarding, 144
Aerodrome Owners' Association meeting, 248
Aeromodellers' association formed, 659
African natives contribute to Spitfire funds, 249
Aides-de-Camp to the King, Appointment of, 224
Air and ground fire in battle, 246
—— battle seen from carrier (illus.), 165
—— Bomber Training, Article and Photographs Describing, 128
—— brakes improvised on Liberator, 550
—— Chiefs (group photograph), 295
—— Commando Force in S.E. Asia 411
—— Component, Letter asking for recognition of (E. C. Ferguson), 702
—— compressors, Letter regarding (W. R. Dainty), 76
—— co-operation in Burma, 520
—— Defence of Great Britain (Outlook), 243
—— demonstration at Damascus, 304
—— Estimates debate (Outlook), 244
—— Estimates, Report of, 265
—— Filtration, Article and illustrations of air filters, by C. G. Vokes, 207
Air Force Cross, 133, 214, 462, 488, 568, 596, 678
Air Force Medal, 488, 568, 596
—— Forces reorganisation and war correspondents, 575
—— League Meeting at Mansion House, 36
—— League of British Empire, Act.-secretary appointed, 469
—— League of British Empire appoints honorary treasurer, 522
—— League of British Empire exhibition, 658
—— marshals confer in Italy (illus.), 58
Air Medal, 186
—— Observation Post, Photographs and details of Air-land Co-operation personnel, 122
—— Power, Outlook on Mr. Churchill's speech regarding, 217
—— power Support, Article and illustrations, by C. B. Bailey-Watson, 450
—— raid, Letter suggesting change of name (G.R.Ae.S.), 95; (F.R.Ae.S.) 263
—— Schools in Canada to close down, 305
—— supremacy of the Allies causes difficulties for Germans in Italy, 111
—— time-table displayed at Exhibition in New York, 224
—— Torpedo (Outlook) 679; Replacement Problems, 682; Description, drawing and photographs, 690
—— Training Corps Boxing Championships, 561
—— Training Corps Boxing finals, 174
—— Training Corps, Cadet's appreciation, 604
—— Training Corps Commander, New Glasgow, 443
—— Training Corps demonstration at Hackney, 249
—— Training Corps Exhibition on tour, 538
—— Training Corps Flt. Sgt. Denham congratulated by Air Marshal Gossage, 249 (illus.)
—— Training Corps, Glider instructors, 646
—— Training Corps gliding tests (illus.), 270
—— Training Corps' Third Birthday, 127
—— Training Corps uniform, Letter regarding, (G. D. Deverington), 375; (C. Garrard), 431; (Ex-A.T.C. and R.A.F.), 431; (Leonard Taylor), 485; (Flt. Lt., R.A.F.V.R.), 511; "Candit"), 539
—— Transport Auxiliary Benevolent Fund, Donations to, 85, 285, 552
—— Transport Auxiliary Casualties, 516, 652, 678, 706
—— Transport Auxiliary Coat of Arms, 564
—— Transport Charter, Plea for European participation in future air traffic, 562
Air Transport, Statement of Government Policy, 96
—— transport development, Views of Mr. Wm. Burden, U.S. Secretary of Commerce, 6
—— transport to South America planned by Lamport and Holt Shipping Line ,304
—— Travel cost, 277
—— weapon in war (Outlook), 55
Airborne landings in Burma, 465
—— troops in Burma, 303
Aircraft Carriers, Article by B. J. Hurren, with photographs, 115
—— carriers at Sumatra, 440
—— carriers' successes, 192
—— Engineer Training, Scheme proposed by S.B.A.C. Committee, 534; Letter regarding (B. Bernard), 702
—— in Flying Attitudes:
Commencement of New Feature in *Flight*, 6
Airacobra, 42
Albacore, 587
Albatross, 640
